

PIG® Dri Loose Absorbent

PLP213-1 Absorbs Oils; Coolants; Solvents; Water; Universal, Each absorbs up to 5 gal., 1 bag

This silica-free loose absorbent combines the heavier consistency of clay with high absorbency to pull industrial liquids from your floor. Also great for outdoor use because it doesn't blow around.

- Unlike clay, which is simply coated with liquid, fast-wicking cellulose-based kaolin granules begin to soak up liquid the moment they touch the spill
- 100% recycled content is a byproduct of the paper-making process, ideal when green products are desired or required
- Silica-free composition does not pose the health hazards associated with breathing in clay dust
- Light-weight absorbent is easier than clay to carry and use without injury
- Absorbs and retains oils, coolants, solvents and water
- Can be incinerated after use to reduce waste or for fuels blending

Specifications

Absorbency Range	1 - 9.9 gal.
Recycled Content	100% Post-Consumer Recycled Cellulose Waste
Absorbency	Up to 5 gal. per bag
Absorbency per	Up to 5 gal. per bag
Application	General Absorbent
Brand	PIG
Color	Gray
Fluid Absorbed	Oils; Coolants; Solvents; Water; Universal
Unit Weight	40 lb.
Sold as	1 bag
Weight	40 lbs.
NSN (National Stock Number)	4235-01-528-0401
# per Pallet	50
Composition	Cellulose fiber, Kaolin clay, Calcium carbonate

Intentionally added ingredients: Fragrance – Sodium sulfate,
Diethyl Pthalate, Estragole

UNSPSC
