

PIG® Drive-Over Build-A-Berm® Barrier Vented 90° Corner

PLR108 For 2" High Drive-Over Build-A-Berm Barrier, 2 per box

Drive-over barrier springs back into shape when heavy vehicles pass. Custom containment berm helps you control liquids in high-traffic areas.

- The Drive-Over Barrier provides semi-permanent containment in high-traffic areas on concrete, asphalt or most sealed surfaces
- Constructed of 40-ounce, vinyl-coated fabric with an open-cell foam core; berm compresses to approximately 1/4" when driven over; springs back to shape when vehicles pass
- Durable enough to withstand indoor or outdoor traffic from trucks, loaded tow motors and other heavy vehicles with sufficient ground clearance
- Secure to floor with sealant (sold separately) and reinforce with predrilled aluminum mounting strips (included) and steel anchors (included); seal seams with vinyl cement (sold separately)
- Create any configuration by combining with other Build-A-Berm components; ends overlap and can be sealed together for liquid-proof containment
- When used with standard high-visibility yellow Build-A-Berm Barriers, orange color indicates area where drivers can enter and exit
- Vent allows built-up air pressure caused by heavy vehicles driving over connected heavy-duty sections to escape without rupturing the seams of your barrier
- Join two 2"-high Drive-Over Build-A-Berm straight sections at a 90-degree angle (sold separately)

Specifications

Style	90° Corner
Use With	2" High Drive-Over Build-A-Berm Barrier
Dimensions	5.5" W x 11.25" L x 2" H
Barrier Height	2" H
Brand	PIG

Temperature Limit	Works from -22°F to 160°F
Color	Orange
Traffic	Vehicle Traffic
Sold as	2 per box
Weight	2 lbs.
New Pig Patent	5,820,297

Composition	Cover: 40 oz. PVC Core: Open-Cell Polyurethane Foam Strips: Aluminum Anchors: Galvanized Steel
--------------------	---

UNSPSC	24101907
---------------	----------

Pigalog® Page Number	<u>Page 155</u>
-----------------------------	---------------------------------

Metric Equivalent

Weight	.9 kg
---------------	-------

Dimensions	14cm W x 29cm L x 5.1cm H
-------------------	---------------------------
