

## PIG® Drive-Over Build-A-Berm® Barrier T Connector

PLR134 For 1.5" High Drive-Over Build-A-Berm Barrier, 2 per box

Build a semi-permanent barrier layout and then drive over it! Use these drive-over T Connectors, along with our PIG Spill Berms and Corners, and contain spills around your unique machinery setup or storage area. Includes the option for dual containment areas separated by a shared center line.

- The Drive-Over Barrier provides semi-permanent containment in high-traffic areas on concrete, asphalt or most sealed surfaces
- Create any configuration by combining with other Build-A-Berm components; ends overlap and can be sealed together for liquid-proof containment
- Can be used to help create two separate containment areas with a shared center line in order to take up less floor space
- 1.5" height accommodates low-clearance traffic like pallet jacks, heavy carts and dollies; durable enough to withstand indoor or outdoor traffic from trucks, loaded tow motors and other heavy vehicles
- Constructed of 40 oz, vinyl-coated fabric with an open-cell foam core; berm compresses to approximately 0.25" when driven over; springs back to shape when vehicles pass
- When used with standard high-visibility yellow Build-A-Berm Barriers, orange color indicates area where drivers can enter and exit
- Secure to floor with sealant (sold separately) and reinforce with predrilled aluminum mounting strips (included) and steel anchors (included); seal seams with vinyl cement (sold separately)

### Specifications

Style	T Connector
Use With	1.5" High Drive-Over Build-A-Berm Barrier
Dimensions	10" W x 16" L x 2" H
Barrier Height	1.5" H
Brand	PIG
Temperature Limit	Works from -22°F to 160°F

<b>Color</b>	Orange
<b>Traffic</b>	Vehicle Traffic
<b>Sold as</b>	2 per box
<b>Weight</b>	2 lbs.
<b>New Pig Patent</b>	5,820,297
<b>Composition</b>	Cover: 40 oz. PVC Core: Open-Cell Polyurethane Foam Strips: Aluminum Anchors: Galvanized Steel
<b>UNSPSC</b>	24101907

## Metric Equivalent

<b>Weight</b>	.9 kg
<b>Dimensions</b>	25cm W x 41cm L x 5.1cm H

## Technical Information

<b>USOnly</b>
---------------

This product can ONLY be shipped to the United States.
