

## **PIG® DrainBlocker® Curb Inlet Drain Cover**

PLR510 Ideal For Repeated Use or Frequent Washdowns, For Curb-Style Drains Up to 114" x 12"

Thin, moldable DrainBlocker Drain Cover seals to guard a vertical storm drain or inlet or contain washdown spray.

- Thin, pliable drain cover can form into an S-shape to block liquids from vertical storm drains
- Durable, long-lasting design withstands long-term outdoor use, chemicals, oils and detergents
- Tougher than your standard drain covers! PIG-tough top resists stretching, ripping and tearing
- Wipes clean so it can be reused
- Super-sealing bottom layer creates a tight seal on curved or face-opening drains
- High-visibility green makes it easy to spot from a distance
- Ideal for power washing and washdowns
- Cost-effective alternative to inflatable plugs and other specialized equipment
- For drains with vertical and horizontal openings, this cover should be used with a DrainBlocker Drain Cover (sold separately)

### Specifications
