

PIG® Drive-Over DrainBlocker® Drain Cover

PLR903 Ideal For Heavy Outdoor Vehicle Traffic, For Square Drains Up to 30"

Looking for a <i>tough</i> storm-drain cover? You can drive tankers over this one.

- Confidently block drains from spills and water with this outdoor drain cover's super-sealing bottom layer that conforms perfectly for a tight seal while the HogHyde® rubber top layer withstands years and years of repeated heavy vehicle traffic.
- Trust this drive-over drain cover—the proven-toughest on the market—to resist everything from punctures, stretching and tearing to prolonged exposure to weather, UV/IR light and oils like diesel fuel and gasoline, plus many chemicals.
- Maintain a professional look for longer since this drive-over drain cover is designed to wipe clean and get back on the job.
- Use it how you need it, either leaving it down as a preventive measure in leak- and spill-prone areas or storing it for emergency spill response.
- Respond faster to spills by conveniently carrying the cover in the included nylon storage bag.
- Need a custom size? Call 1-800-HOT-HOGS (468-4647).
