

Maintain Distance Floor Marking Tape

PLS11155 2.25" x 54', 1 roll

Durable, long-lasting tape helps to improve safety in your workplace by providing a visual reminder for employees to maintain social distance.

- Bright red color grabs attention to remind employees to maintain social distancing; eliminates the need to make tape X marks
- Ideal for use in entrances, warehouse, assembly lines, around machinery
- Easy to use — just roll it out and stick it down; make sure floor is clean and dry before application
- Adheres to floors and vertical surfaces; message repeats every 22" so you can cut to length as needed
- Durable, anti-slip surface withstands heavy foot and cart traffic and machine drive-overs
- Easy to clean with the rest of the floor; holds up to mopping, sweeping and floor scrubbers
- All adhesives have some potential to leave residue or lift or discolor finish coatings, paint, and loose or pre-damaged tiles depending on the condition and age of the floor surface. If you have questions about the suitability of this tape for your application, test a 6" piece in a non-critical area before use
