

## Heavy-Duty Bollard Cover with Reflective Tape

PLS1259 For Posts 6" to 6.625" Dia. and up to 52" H

Heavy-duty bollard has molded grooves with reflective tape to add visibility and alert drivers in low-light conditions.

- High-visibility reflective tape alerts drivers to help reduce accidental impact in low-light conditions
- Durable, .25"-thick polyethylene shell resists impact, chemicals and UV light
- Holds 90% of its true color in constant sunlight for a period of 5 years
- Neoprene tape wrap helps deter theft by creating a vacuum-tight fit
- Smooth, rounded finish won't snag clothing
- Simply slides over existing bollard for fast, permanent installation

Ideal Shield
