

Economy Bollard Cover with Reflective Tape

PLS1261 For Posts 6" to 6.625" Dia. and up to 52" H

Economical cover with reflective tape is great for light-duty areas or indoor applications.

- High-visibility reflective tape alerts drivers to help reduce accidental impact in low-light conditions
- 0.125"-thick polyethylene shell resists impact, chemicals and UV light
- Molded with ultraviolet and anti-static additives to prevent color fade, even in bright sunlight
- OSHA safety yellow is easy to see and promotes a professional appearance
- Smooth, rounded finish won't snag clothing
- Simply slides over existing bollard for fast, permanent installation

ideal shield
