

Pyramex® Cap-Style Hard Hat

PLS1549 Cap-Style,4 Point Ratchet

Provide full, Pyramex head-protection for your crew or visitors at a great price.

- Pyramex's HDPE shell provides excellent head protection along with dielectric protection up to 20,000 volts
- Four-point ratchet suspension absorbs shocks and adjusts with the turn of a knob for a comfortable, customized fit, all at a total helmet-weight of just 12.7 oz.
- Absorbent brow guard and rear foam pad provide comfort to front and back of the head, and rain trough on sides and back of safety hat channel moisture away
- Reversible design of this cap-style hard hat has been tested and marked safe to wear backward if preferred
- Universal accessory slots are compatible with standard face shields, earmuffs and welding helmets
- Complies with ANSI Z89.1 for Type I, Class C, E and G head protection
