

Guardian Wall-Mount Eye Wash

PLS1619 Wall-Mount; Plumbed, Flow Rate 1.6 gal./Minute

Mount this emergency eyewash station on walls in high-risk areas so workers can flush away contaminants to help prevent serious injuries.

- Wall-mountable eye wash provides easy access to onsite initial treatment (mounting bracket included)
- Chrome-plated brass valve with PTFE seals stays open until manually closed for complete decontamination
- Stainless steel bowl with two spray heads delivers a flood of water for rinsing eyes
- Large push flag makes it easy to activate water flow, even when vision is compromised
- Spray heads include flip-top dust covers plus internal flow control and filter to remove impurities
- Assembled, inspected and water-tested before shipment to ensure quality and reliable performance at your facility
