

Guardian Deck-Mount Drench Hose & Eye Wash

PLS1621 Faucet Mount; Plumbed, Flow Rate 1.6 gal./Minute

Give workers an extra measure of safety with this dual-purpose, deck-mount drench hose and eyewash.

- Deck-mountable decontamination combo provides easy access to onsite initial treatment (mounting flange included)
- Unit can be operated in place as a fixed, hands-free eye wash or removed from its seating for use as an 8'-long drench hose
- Brass squeeze valve engages locking clip and stays open until clip is released
- Two side-by-side spray heads deliver a flood of water for rinsing eyes
- Spray heads include flip-top dust covers plus internal flow control and filter to remove impurities
- Assembled, inspected and water-tested before shipment to ensure quality and reliable performance at your facility

Specifications
