

Ergodyne® Bump Cap Hat

PLS2051 Removable Bump Cap, 1 each

Protect your head from worker-generated impacts and other minor head injuries by wearing this comfortable hat with impact-resistant shell.

- Removable bump cap insert features a flanged design and foam cushioning liner for comfort and breathability
- Nylon hat features reflective piping that keeps workers safe and seen in low-light situations
- Best used in spaces where worker-generated impact head protection is needed, such as around low ceilings, beams, low pipes and other bump hazards
- Ideal for mechanics, airline baggage handlers, factory workers, in-home service workers and other jobs that do not require safety hard hat protection; not bulky like hard hat
- Short brim has a length of 2"; long brim has a length of 3"
- Does NOT replace a hard hat where required
