

Rapid Seal Flat Roof Leak Repair

PTY320 For Flat Roofs, 1 each

Emergency flat roof repair compound stops roof leaks until you can make permanent repairs.

- Apply in the leak area; dispenses easily without special tools, training or labor
- Temporary seal is formed when material is poured directly into standing water or leak site
- When ready for permanent repair, simply sweep or shovel away the material
- Dry material is reusable after being collected
- Free from solvents or toxins
- Use it on any flat roof
