

## Sikaflex® Sealant

PTY423 For Metals, Masonry, Glass, Plastics & Wood, 1 each

Permanently seal more surface types with an elastic hold using this one-step multi-purpose Sikaflex sealant.

- Use this versatile one-step Sikaflex 221 sealant on a wide range of surfaces
- Works well on metals, plastics, ceramics and more
- Gives you a permanent elastic seal
- Resists aging to last over time
- Can sand it and paint it without compromising its hold
- Safely non-corrosive and low-odor
- This is the recommended sealant for New Pig's Safeguard Traction Grit line
