

Wood Restoration and Repair Kit

PTY608 For Wood, 3" W x 6" L x 6" H, 1 each

Repair and restore damaged or rotted wood with this conveniently packaged kit featuring a consolidant, a putty and a thinner.

- Contains all the essential products for repairing and restoring damaged, deteriorating or rotted wood
- Easy to use and produce professional results
- LiquidWood and WoodEpoxy are 100% compatible; used together, they create structural, shrink-free, permanent repairs that mimic original wood
- Bonds permanently even to previously damaged substrates
- Resistant to further damage by water, insects, UV and more
- Can be machined with traditional woodworking tools and paintable just like wood
- LiquidWood penetrating epoxy wood consolidant structurally hardens, regenerates and waterproofs decayed wood
- WoodEpoxy shrink-free epoxy putty fills, repairs and replaces missing wood, permanently
- Absolute general purpose thinner and solvent for epoxy thins LiquidWood when necessary and can also be used for general epoxy clean-up
