

Refill for PIG® Battery Acid Spill Kit in Countertop Box

RFL2304 Neutralizing Capacity Up to 30 oz., 1 per box

Keep responding to small spills of battery acid from lead-acid batteries with this battery acid clean-up refill featuring color-change neutralizer absorbents and more.

- Keep cleaning up small battery-acid spills from lead-acid batteries with this refill
- Great to have on hand for recurring drips, leaks and spills of battery acid
- Color-change neutralization mat pads and wipes clearly indicate when it's safe to handle and dispose
- Includes plenty of supplies for multiple responses; 50 neutralizer mat pads and 1 container of neutralizer wipes
- PPE included; enough for 6 responses
- Ideal for storing near forklifts and their charging stations, storage areas, warehouses and more
