

Refill for PIG® Battery Acid Spill Kit in Countertop Box PPE ONLY

RFL2305 For Battery Acid Spill Kit, 1 each

Keep responding to small spills of battery acid from lead-acid batteries with this battery acid clean-up PPE refill.

- PPE-only refill supports continued cleaning of small battery-acid spills from lead-acid batteries with your existing neutralizing absorbents
- Great to have on hand for safely managing recurring drips, leaks and spills of battery acid
- Includes enough PPE for 6 responses
- Ideal for storing near forklifts and their charging stations, storage areas, warehouses and more
