

Graphene Lined Antibacterial Neck Gaiter

RSP7110 One Piece Continuously Woven Construction, Antibacterial; Odor-Neutralizing; Reusable/Washable; Thermal Regulating, 1 each

Stay comfortable indoors and outdoors with this washable neck and face covering featuring a high-tech antibacterial and thermal regulating fabric.

- Material keeps face comfortable in both hot or cold temperatures – perfect for all day wear
- Gaiter style face covering provides protection from dust/debris
- Lightweight, fitted neck and face gaiter features a bacteriostatic graphene liner that resists harmful bacteria
- Odor neutralizing properties keep the mask smelling fresh
- Washable and reusable; recommended washing temperature is between 104 - 140°F with mild detergent; tumble dry low to prevent shrinkage
- Handy carrying pouch keeps the mask clean when not in use
