

# High-Capacity Touchless Hand Sanitizer Dispenser - 27" High

SAN310 Holds 4.9 gal., For Liquid or Gel Hand Sanitizer, Indoor or Outdoor Use

Battery-powered automatic dispenser is child and handicap accessible to provide hands-free delivery of liquid or gel sanitizers indoors or out for up to 26,000 patrons without refilling.

- High-capacity dispenser holds 4.9 gallons of liquid or gel hand sanitizer; perfect for high-traffic areas in facilities, universities, busy transportation hubs and more
- 27" deck height is handicap accessible, ADA compliant and child friendly (33" total unit height including base and dispenser nozzle)
- Safe, hands-free dispensing promotes better hygiene
- Environmentally friendly design delivers every drop of sanitizer and creates no packaging waste
- Durable PVC construction is suitable for indoor and outdoor use
- Exterior window allows you to check sanitizer level at a glance; saves maintenance time by reducing the need for frequent refills
- Lockable cap prevents unauthorized access to sanitizer supply
- Serve more than 26,000 patrons without refilling; included 4 D batteries last for 200,000 dispenses
- Helps meet workplace control measures outlined by OSHA's Guidance on Preparing Workplaces for COVID-19
