

## GHS Labels

SGN1051 GHS, 500 each

Identify the specific hazards of your chemicals with these GHS pictogram labels. Choose from two sizes.

- Helps you comply with Globally Harmonized System principles adopted as part of OSHA's HazCom regulations
- GHS pictogram identifies hazardous chemicals and warns workers of their potential dangers
- Adhesive-coated paper can be affixed to any clean, dry surface
- Corrosion pictogram is ideal for use with skin corrosion/burns, eye damage and chemicals corrosive to metals
