

GHS Labels Irritants Pictogram

SGN1054 GHS,500 per roll

Identify the specific hazards of your chemicals with these GHS pictogram labels. Choose from two sizes.

- Helps you comply with Globally Harmonized System principles adopted as part of OSHA's HazCom regulations
- GHS pictogram identifies hazardous chemicals and warns workers of their potential dangers
- Adhesive-coated paper can be affixed to any clean, dry surface
- Exclamation mark pictogram is ideal for use with irritants (skin and eye), skin sensitizers, acute toxicity chemicals, narcotic effects, respiratory tract irritants and substances that are hazardous to the ozone layer (non-mandatory)

Item#	Description	Dimensions	Weight
