

GHS Labels Health Hazard Pictogram

SGN1056 GHS,500 per roll

Identify the specific hazards of your chemicals with these GHS pictogram labels. Choose from two sizes.

- Helps you comply with Globally Harmonized System principles adopted as part of OSHA's HazCom regulations
- GHS pictogram identifies hazardous chemicals and warns workers of their potential dangers
- Adhesive-coated paper can be affixed to any clean, dry surface
- Health hazard pictogram is ideal for use with carcinogens, mutagenicities, reproductive toxicity chemicals, respiratory sensitizers, target organ toxicities and aspiration toxicities
