

Wall Sign for PIG® Spill Kit

SGN1065 Spill Response & Spill Kit, 19" x 24", 1 per package

Clearly designate a location for your spill kit so workers can find it fast in the event of a spill.

- "Spill Center" signage lets you designate a specific area to keep your spill kit; helps you decrease response time and identify missing kits during inspections
- Bright color is highly visible to draw attention and create awareness
- Printed with four-step spill response instructions to help workers safely respond to the spill, save time and eliminate guesswork
- Indoors or out, Dura-Vinyl material provides exceptional flexibility and performance and features high-gloss film to resist UV rays, water, chemicals and abrasion
- Pre-drilled holes for easy mounting (hardware not included)
