

## PIG® Absorbent Barrel Top Safety Message Mat with Poly Backing

SGN1208 Waste Oil, For 55 gal. drums with 2 bungs (2" Dia.), 25 pads per box

Convey critical alerts and keep your poly drum tops clean with these leak-proof message mats.

- Barrel-top message mats warn or direct workers, beyond just drum contents, while also preventing dirty drum tops
- Ideal for chemical companies, waste facilities, manufacturing plants and other industrial setting
- Fit standard poly drums with perfectly sized cutouts for bungs
- Absorb liquid drips, drops and spills
- Leak-proof poly-backing blocks seeping liquids to prevent dirty drums
- Bright imagery is easily legible and stands out to give you confidence that the message will be noticed
- Top location of message remains visible even when drums are grouped in storage with sides covered by other drums
- Messages can convey more than just contents of drum thanks to New Pig's printing capability, the first of its kind in the Absorbents industry
- Durable construction of heavyweight mat lasts over many uses
- Mats take on the properties of absorbed liquids, so always take proper precautions when handling saturated absorbents

### Specifications
