

Spill Station 3D Projection Sign

SGN303 Spill Response & Spill Kit, 15" x 8", 1 each

3D wall signs make emergency spill kits easy to find from any angle. Faster to find means faster to respond.

- Protrudes from wall for higher visibility; helps workers find supplies quickly and respond to spills effectively
- Even from a distance, helps indicate the location of spill kits and supplies that may be obscured in their immediate area
- Highly-visible with high-contrast message on both sides
- Keep your facility looking professional while providing clear safety information
