PIG® Storm Drain Marker Kit

SGN8203 Storm Drain Marker, ext. dia. 4", 20 per package

Place these markers near drains to maintain awareness of drain and drain's discharge location.

- Use these drain markers to draw attention to drains around your facility and identify those drains' outflow locations
- Pick a marker with the unique message and image your facility needs and label up to 20 locations using these two packs of 10
- Fit curbside near drain; not recommended to put directly onto grate
- UV resistant to prevent fading and weatherproof to last longer
- Apply markers using Sikaflex Adhesive (included); one tube adheres approximately 20 markers
