

## PIG® Outdoor 6ft Social Distancing Decals - Pack of 4

SGN9000 Outdoor Use on Concrete & Asphalt, 10", 4 per bag

Comply with guidelines, control traffic flow and promote 6ft social distancing with durable and anti-slip outdoor decals for made for concrete and asphalt.

- Creates social distancing markings outside, promotes clear traffic pattern and traffic flow outdoors, creates a safe environment and helps companies stay in compliance with social distancing guidelines
- Outdoor use only. Great way to reinforce social distancing and direct employees, visitors or pedestrians, and can be used in a variety of settings from stadiums, arenas, airports, parking spaces, building entrances and walkways, retail, community centers and other public buildings
- Anti-slip, high-traction texture helps prevent slips and trips and is ideal for outdoor use where wet weather could be a factor
- High-visibility decal stands out to alert employees and visitors of social distancing guidelines in effect
- Concrete or asphalt should be dry, clean and free of debris for best installation results
- Easy to apply and remove; press firmly for best adherence. Remove when decals show signs of wear or lifting
- Bubbling and cracking can occur in extreme heat – be sure to inspect for lifting on edges
- Made with durable textured vinyl and UV curable inks to withstand heavy foot traffic and outdoor environments
- All adhesives have an ability to leave a residue
- Contains (4) 10" outdoor decals
- Recommended for use in 40°F - 120°F
