

PIG® Sheen Clean® Oil-Only Absorbent Pillow

SKM602 Absorbs Oils; Fuels; Oil-Based Liquids (Not Water), Each absorbs up to 1 gal., 10 pillows per box

This pillow's extra-large surface area cleans up the thin, oily residue floating on water that other absorbents may leave behind.

- Proprietary filler blends high-capacity recycled cellulose with a copolymer that pulls in thin, filmy sheens of oil
- Ideal for long-term deployment to remove sheen after oil-based spills or absorb oil residue in retention ponds, catch basins, tanks and more
- Tear-resistant skin is UV resistant up to 12 months; provides long-term outdoor use without degradation
- Floats to clean up spills on water confined by booms or socks
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white color makes pillows easier to see in outdoor environments and clearly shows saturation level
- Can be incinerated after use to reduce waste or for fuels blending
- Not recommended for use with acids, bases or other corrosive liquids
