

PIG® Cinchable Pipe Leak Diverter

TLS182 Diverter, Install With Drawstrings, 19.5" x 32"

Drawstrings cinch tightly around valves, fittings and other oddly shaped components to capture leaks.

- Cinchable drawstrings get you as close as possible to the source of a leak to capture more liquid before it causes damage
- Compact size lets you target a leak in tight and awkward spaces until repairs can be made
- Vinyl-coated tarp resists punctures, UV and mildew
- Accepts a standard 3/4" hose connection to channel liquid to a floor drain or collection container (hose sold separately)
- Flow rate of 3.33 gallons per minute when used with a 1/2" ID hose
- Collection container and hose sold separately

Specifications

Color	Yellow
Dimensions	19.5" W x 32" L
Brand	PIG
Contains	Diverter
Drainage Hose Included	No
Hanging Straps Included	No
Hose Connector	.75"
Installation Method	Drawstrings
