PIG® Umbrella-Style Roof Leak Diverter Tarp Kit

TLS461 30" W x 30" L, Leak Diverter Tarp; Hose; Hanging Hook, Install With Hook

Installs faster than any leak diverter tarp in our offering! Channel away roof or ceiling leaks before it damages inventory and machinery or causes a slip hazard.

- Easily keep rain and snow from storming *inside*. Whether condensation and ice, or heavy rain from a high-wind hurricane, this solution will quickly protect your team and what you've built.
- All-in-one tarp kit hangs from a single point near the leak – just hang the hook, pull off the cover and connect the hose (included)
- Heavy-duty vinyl-coated tarp resists punctures, UV and mildew and lasts multiple deployments
- Pinched corners create a funnel to channel liquids to a drain or collection container without overflowing or sagging; engineered with leak-proof seams and connections
- Brass grommets resist tearing and make installation easy; multiple hanging points add stability and preserve funnel shape
- Extra-large drain opening and debris cage prevents clogs from crumbled ceiling tiles, drywall and roofing material
- Choose from three colors: yellow draws attention; clear and translucent make it easy to check water flow
- 3/4" drain fitting accepts longer hoses
- Flow rate of 3.33 gallons per minute when used with a 1/2" ID hose
- Collection container not included

Item#	Description	Dimensions	Weight
TLS461-CL		30" W x 30" L	4 lbs.
TLS461-TR		30" W x 30" L	4 lbs.
TLS461-YW		30" W x 30" L	4 lbs.

Metric Equivalent:

Item#	Description	Dimensions	Weight
TLS461-CL		76cm W x 76cm L	1.8 kg

TLS461-TR	76cm W x 76cm L	1.8 kg
