

PIG® High-Reach Roof Leak Diverter **Tarp Kit**

TLS820 27" W x 35" L x 12" H, Leak Diverter Tarp; Hose; Telescoping Pole; Mat Pad; Container, Install With Telescoping Pole

High-ceiling leak in a busy professional area? Funnel the leak safely through this stylish high-reach leak diverter.

- High-reach leak diver quickly routes small emergency roof leaks from high ceilings or in hard-to-reach areas
- Telescoping pole means no need to attach tarp to ceiling; adjustable pole extends to 9 ft.
- One person can easily set up entire leak diverter without a ladder
- Extra-large drain opening with anti-clog debris cage for reliability
- Captures drips from ceilings up to 15-ft. high without splash-out; for even higher ceilings, utilize included absorbent splash pad
- Stylish design looks professional in hotel, airport, hospital, school or elsewhere
- Lid helps prevent your customers or guests from mistakenly dropping items into 5-gallon pail
- Sturdy weight distribution is hard to tip
- High-visibility yellow legs and Caution warning message help pedestrians avoid tripping
- Pole breaks down effortlessly to just over 4 ft.
- Drainage plug and hose cutout make emptying pail convenient; no need to remove lid
- Heavy-duty vinyl-coated tarp resists punctures, UV and mildew to last over repeated uses
