## PIG® Spill Prevention, Control, and Countermeasures Training

TRN184 For Beginner; Intermediate, 50 Minutes, Online (Login details emailed to you within 48 hours)

Train workers on EPA's Spill Prevention, Control and Countermeasures (SPCC) plan, SPCC-oriented settings and scenarios.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include EPA's SPCC rule, elements of an SPCC plan, best practices for storage and handling types, role of the Facility Response Coordinator, safe operating procedures, and control measures and countermeasures to protect against and clean up after oil spills
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 48 hours of ordering
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
