

Training

PIG® Slips, Trips, and Falls Training

TRN193 For Beginner; Intermediate, 26 Minutes, Online (Login details emailed to you within 48 hours)

Train your employees to help avoid one of the most common - and preventable - causes of workplace injuries.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include differences between slips, trips and falls, common causes and preventions, tips for walking on slippery surfaces and stairs, proper procedures for the use of ladders, steps to take to resolve hazards after identification, first aid for slip, trip and fall injuries
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 48 hours of ordering
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
