

PIG® Mercury Cleanup Wipers

WIP1404 Premoistened, 8.5" x 9", 10 wipers per package

Eliminate dangerous mercury residue from surfaces, hands and tools. Pop-up wipers help suppress hazardous vapors.

- Citrus-based formula is designed for final wipedowns after a mercury spill has been cleaned up-helps suppress any remaining vapors to limit worker exposure
- Effectively removes dangerous residue from hands, tools and hard surfaces that have been exposed to mercury
- Durable plastic container with snap-tight lid neatly dispenses wipers individually while keeping the remainder clean and moist
- Note: Avoid contact with metallic nitrates, cyanides, sulfides and strong oxidizers; contact with sodium or calcium hypochlorite creates chlorine gas
- Want to try out a new wiper? Your satisfaction is always guaranteed with the PIG Promise... try a case risk-free!

Specifications

Style	Pop-Up Wipers
Dimensions	8.5" W x 9" L
Application	Premoistened
Brand	PIG
