

# SilverSure Antimicrobial Microfiber Towels

WIP1700 Works With Sanitizers, Disinfectants Without Reducing Effectiveness Of Killing Pathogens, 12" x 12", 12 cloths

Silver-infused microfiber towels help eliminate microbes to reduce cross-contamination while cleaning and stay fresh longer.

- Antimicrobial towels feature a patented technology that uses silver ions to eliminate undesirable microbes from the surface of the cloth
- Microfiber construction is compatible with most cleaners, disinfectants and sanitizers
- Towels stay fresh longer by preventing the growth of odor-causing bacteria and fungi
- Machine wash and dry on low setting to refresh; tested and proven to be 99.5% effective even after 50 cycles
- Reduces cross-contamination and the need to frequently change towels while cleaning
- Gray color distinguishes these towels as silver-infused to set them apart from other cleaning rags
- Approved as non-toxic by international standards

## Specifications

Style	Folded
Color	Gray
Dimensions	12" W x 12" L
Dispenser	No
Strength Rating	No Strength Rating
Sold as	12 cloths per bag
Weight	.82 lbs.
New Pig Patent	No
# per Pallet	720
Composition	Microfiber silver ion infused
Application	Works With Sanitizers, Disinfectants Without Reducing Effectiveness Of Killing Pathogens
UNSPSC	47131502
Pigalog® Page Number	Page N10

## Metric Equivalent

**Dimensions**

30.5cm W x 30.5cm L

**Weight**

.4 kg
