

PIG® ShopReady™ Disposable Microfiber Wipers

WIP444 Pop-Up, 12" W x 12" L, 50 cloths per box

We've never met a tougher microfiber wiper - no job is too rough, too grimy or too much to handle for these durable shop workhorses.

- Compact microfibers are engineered for superior durability in rough scrubbing and heavy-duty tasks without the "fluff" of standard microfiber cloths
- The right amount of loft to trap grease and grime; won't bleed out or contaminate clean surfaces as you keep wiping
- Low-lint wipers feature exact cut edges to eliminate fraying, shedding and unraveling
- Priced right for wipe and toss applications that would shred most disposables
- Ideal for wiping unfinished cast iron, gears, burred edges, and other rough surfaces in industrial, automotive, fabrication, metal work and more
- More durable, lower linting and better retention compared to red shop towels
- Use for wet or dry wiping; microfiber dries quickly
- Pop-up box for easy dispensing and storage on carts or shelves
- Available in multiple colors for color-coding the different processes at your workplace
