WIP697 Folded, 12" W x 13" L, 1000 cloths (20 packages of 50 each)

Keep your shop clean with these disposable microspun cloth wipers that are soft enough for polishing but strong enough for rough surfaces.

- Wipe up around your shop using these soft-but-strong microspun wipers that clean without leaving fibers behind
- Quarter-folded and poly-wrapped for easy handling
- Soft enough for polishing without scratching
- Tough enough to use on rough surfaces without ripping or tearing apart
- Versatile cloth works for wiping away grease, oil and wax; absorbing heavy spills; resisting solvents and degreasers or spraying and using with sanitizer
- Use wet or dry for a range of tasks, including staining, auto detailing, wiping up spills and more
- Binder-free and low-linting; won't shed, pill or leave behind fibers
- Unlike T-shirt rags and makeshift shop towels, size and performance are consistent
- When the application allows, these towels can be repeatedly washed and reused
