

PIG® Disinfectant Compatible Disposable Dry Wipers

WIP8150 For Commercial-Grade & EPA List N Disinfectants, Cleaners - NOT for Quat-Based Sanitizers, 11.5" x 13", 900 wipers

Soft, thick and absorbent dry wipe can be used with cleaning chemicals to sanitize and disinfect surfaces.

- Use dry wipes with spray bottles of sanitizers or disinfectants for wiping down smooth surfaces in commercial or industrial facilities, offices, work areas, on equipment and more
- Excellent for use in spray and wipe applications with most commercial/professional-grade disinfectants, alcohol, bleach, EPA List N disinfectants, cleaners and sanitizers
- Made of non-woven cellulose - soft enough to wipe hands
- Thick, high-loft wiper construction is highly absorbent
- Binder increases wet strength and overall durability
- Wipers are 1/4 folded and poly-wrapped for easy handling and loading
- Note: The cellulose content in these wipers may reduce the disinfectant efficiency of quaternary ammonium if used in long-term saturation

Specifications

Style	Folded
Use With	Commercial-Grade & EPA List N Disinfectants, Cleaners - NOT for Quat-Based Sanitizers
Dimensions	11.5" W x 13" L
