

Kyorene® Graphene A4 Sleeve

WPL155 Sleeve Length 14" L, Gray, 1 pair per package

Keep your arms safe and comfortable in these graphene sleeves that provide thermal regulation and A4 cut resistance.

- ANSI A4 cut resistance
- Choose from sleeves with or without thumb holes
- Continuous-knit wrist design
- Odor neutralizing to keep the sleeves smelling fresh
- Bacteriostatic to prevent bacteria reproduction
- Thermal regulating to keep arms comfortable
- UV resistant to help protect worker arms from sun and prevent deterioration of sleeves
- Contains no stainless steel or glass fiber
- Ideal for light manufacturing, sheet metal handling, construction and food processing; NOTE: however, FDA-approved gloves should be used where direct contact with food may occur
- Single-pair packaging helps control dispensing and inventory
