

## Chill-Its Cooling Towel

WPL895 Activated with Water, 1 each

Stay cool with this Chill-Its evaporative-cooling towel designed for use in extreme heat.

- Designed for use in extreme heat
- Drape towel around neck or head for up to 4 hours of cooling relief
- Evaporative cooling technology uses an external water source to draw heat away
- Machine washable; must hang dry
- The PVA material will dry stiff like a sponge; simply rewet until soft to reactivate
- Thoroughly rinse towel before first use
