

Ergodyne® Cooling Hard Hat Sun Shade

WPL897 For Hard Hats, 100% Cotton, 1 each

Stay cool and help prevent sun damage by wearing this evaporative-cooling hard hat liner pad with neck shade.

- The low-profile and lightweight pad uses PVA evaporative-cooling technology for relief without bulk or slime: just a comfortable wearing experience under your hard hat
- Wide-panel shade extends down for complete back-of-neck coverage
- Hard hat liner pad fits most hard hats and safety helmets, easily attaching to the suspension with two hook-and-loop straps
- Run under water for one minute to activate instant cooling relief that lasts for up to 4 hours
- Simply run under water to reactivate and soften
- Machine washable; must hang dry
