

Zytron® 100XP Level B/C Coveralls

WPL907 Elastic Hood Attached, Zipper Front, 1 each

Versatile Zytron series of coveralls are available in different weights and a variety of styles to provide protection from Levels A to D. Temporarily unavailable. Item on backorder.

- Reliable level B/C chemical-resistant protection from dry particulates and light splashes
- Heavier Zytron material is specially-manufactured for extra strength and chemical resistance
- Effective barrier against most organic and inorganic chemicals, including many acids, bases, salts, greases and oils
- Generous cut and flexible material allow full range of movement
- Strong serged seams resist stress
- Long zipper front lets them go on and off easily
- Elastic face, wrist and ankle openings help keep out chemicals
- Attached hood extends protection to head
