

Ergodyne® Class 3 Hooded Safety Sweatshirt

WPL983 Class 3,1 each

Stay visible while keeping warm in this high-visibility pullover hoodie designed with polar fleece.

- Designed with high-quality 100-percent polyester polar fleece to provide warmth during chilly days
- Class 3; 2" ANSI-compliant silver reflective tape on torso, shoulders and sleeves make this a great reflective hoodie to wear as night falls for effective visibility
- Perfect for jobsites in high-traffic areas like road construction or anywhere that requires high visibility clothing
- The bottom front and wrist sections are black to prevent a dirty look in prone areas of the sweatshirt
- Drawstring hood and elastic-knit waistband and cuffs keep the heat in for all-day warmth
- Pouch-style pocket great for additional hand warmth and storage
