

PIG® Absorb-&-Lock™ XL High-Visibility Water Absorbent Pad

WTR017 Absorbs & Retains High Volumes of Water, Leak-Prone, High-Traffic Areas, Includes (10) 39" x 14.5" Pads

Use these extra-large high-visibility water absorbing pads to absorb high volume leaks and drips in problem areas or use them during a spill response to clean up large volumes of water quickly.

- Extra-large water absorbing pads can absorb high volume leaks from pipes, equipment, appliances or machinery or used to clean up a large water spill due to restroom backups, overflows or pipe bursts
- XL pads cover a wider surface area and absorb water fast; perfect for spill response in hospitals, retail environments or areas of your facility with high customer or employee foot traffic
- Super Absorbent Polymer (SAP) filler swells on contact with water and expands to pull in large volumes of liquid quickly
- Expanded water spill pads create a barrier to help prevent further leaks and drips from escaping and spreading into walkways
- Absorbed water is "locked" inside; won't leach or run out when you pick up or dispose, even when fully saturated
- Pads (before water contact) are low-profile to fit tight spaces and lay flat for storage; unobtrusive design won't create trip hazard
- Non-toxic and non-hazardous for easy disposal
- Bright orange color and printed "Caution" symbol add safety
- Leave pad down until fully saturated, then dispose. Do not drag or drop

Specifications

Absorbency Range	40 - 49.9 gal.
Dimensions	14.5" W x 39" L
Absorbency	Up to 49 gal. per package
Absorbency per	Up to 4.9 gal.

Application	Leak-Prone, High-Traffic Areas
Brand	PIG
Color	Orange
Fluid Absorbed	Water
Height When Fully Saturated	2" When Fully Saturated
Includes	(10) 39" x 14.5" Pads
Special Feature	Absorbs & Retains High Volumes of Water
Traffic	Not Recommended for Foot Traffic
Weight When Fully Saturated	29.19 lbs. When Fully Saturated
Sold as	10 per package
Weight	3.04 lbs.
Composition	Skin: Polypropylene Filler: Super Absorbent Polymer (SAP)
UNSPSC	47131900
Pigalog® Page Number	Page 62

Metric Equivalent

Absorbency per	Up to 18.5 L
Absorbency	Up to 185.5 L per package
Weight	1.4 kg
Dimensions	37cm W x 99cm L
