

Microfiber Tube Mop for Water

WTR022 For General Maintenance, 13" W x 16" L, 1 each

Absorbs more water and lasts longer than cotton mops and can be machine washed, dried and used again!

- Extremely absorbent tube mop is great for cleaning up water spills anywhere in your facility
- Machine washable and dryable for reusability; can be laundered up to 500 times
- Microfiber absorbs spills quickly unlike sponge mops or cotton string or spin mops that just push water around
- Durable, lightweight and long-lasting; will not fray or unravel
- Provides a smooth mopping experience; works great on smooth or rough surfaces and won't get tangled while mopping
- Offered in blue and green colors to avoid cross-contamination
- Includes (1) mop head and (1) telescoping handle/adaptor
